

Harvest Groups bring that small church feeling to a larger church environment. Through these small groups, we help connect people to each other and to God in a variety of different ways with study groups, hobby or fellowship groups, and service groups. If you're interested in attending a Harvest Group, sign up at the Harvest Groups table next to the Hub, or the church website. Questions? Contact Kristine Pruett. Unless otherwise stated, groups meet weekly.

Using the voice chat feature of Discord, we will open with prayer and then dive into our Bible verse/chapter. When we're done reading, we'll start up our games, play while we discuss what we read and bring the Lord to the gaming community, so we can say "we play a little bit of COD while talking a lot about GOD."
